

EUDRAGIT® Workshop

March 14, 2019 – Piscataway, New Jersey

Overview

Workshop Overview

Featuring new content, including EUDRAGIT® FL 30 D-55, our new advanced highly flexible combination polymer for enteric coatings, customized release profiles with EUDRATEC® technologies, using solvent-based coatings with EUDRAGIT® polymers and oral suspensions using particles coated with EUDRAGIT® polymers. This is an excellent opportunity for technical staff in the pharmaceutical industry to learn about the use of EUDRAGIT® polymers in modified release formulations.

Date

March 14, 2019

Location

Evonik Corporation
2 Turner Place
Piscataway, New Jersey 08854

Registration Fee

Early registration discount: \$50 if registered by March 1st.
After this date, the cost is \$150. Registration deadline: March 11th.
